RONCO GOWN (The original CPE Gown)

Effective PPE changes during shifts are critical in food processing plants. Employees need to don new garments quickly and efficiently and still ensure they are fully protected and controlling contamination hazards as they return back to their work station.

The RONCO Gown was designed as a

For more information, call RONCO at 905-660-6700 or send an email to info@ronco.ca. You can order a sample online here: <http://www.safety.ronco.org/products/1/1/RONCO-Gown>

Reduce the Risk Of Food Contamination

RONCO is the first North American manufacturer of gloves and gaiter products to achieve ISO 22000.
